Vol. 7, No. 28 — EDMONTON, ALBERTA, WEDNESDAY, JULY 14, 1954 — Section One—4 Pages

JUL 14 1954

AMID THE RUINS OF HER HOSPITAL Dr. Constance Murray of Halifax, N.S., explains to two fellow Canadians her plans for the reconstruction of what once was Seoul's most modern hospital. The Severance Hospital has been bombed, shelled and sacked but still exists through the kind donation of various church groups throughout the world. Dr. Murray, supervisor for the hospital, has spent 33 years in Korea, administering to their sick and needy. Although only one-third of the hospital is intact Dr. Murray tends to the medical needs of an ever growing number of Korean natives. The Canadian Army in Korea has always done whatever possible for the Severance Hospital. Recently a group of officers from the Dental Unit of the 25th Canadian Infantry Brigade visited with Dr Murray and presented her with a considerable amount of dental supplies for her hospital. Here, left to right: Major S. G. Bagnall, Dr. Murray and Lt.-Col. W. M Sinclair, all of Halifax, N.S.

Alberta Crops Get Rapid Advance With Recent Warm, Moist Weather

Seasonably warm weather in Alberta has resulted in rapid advancement of crops in the last two weeks. With adequate to ample moisture supplies in all areas, crops are in good condition although still considerably later than normal. More warm weather is needed.

In some areas where soils are heavy, the emergence of grain was spotty owing to heavy rains which resulted in a crust forming on the soil surface. Insect damage has been very light and confined almost entirely to wireworm activity. More settled weather has permitted progress with weed spraying operations. Wild oats are very prevalent this year, however, and selective weed killers will not destroy them.

Variations in the height of crops are very pronounced in central Alberta. Wheat varies from one to 21 inches high in the Calgary area, from two to 12 inches in eastern districts and from two to 14 inches at Edmonton. However, all crops are in good condition and growing rapidly.

Most damage owing to excessive rain is indicated west and north of a line from Red Deer to Edmonton and St. Paul. The germination of early crops was spotty in many cases and they show poor color. Some oats are being sown for use as green feed "if it does not make grain." An occasional farmer continued to sow Olli barley until the end of last week.

In the Peace River country wheat measures from four to 24 inches in height. Early wheat is reported to be good with the exception of an area at Elmworth, south of Beaverlodge where the crops are "just holding their own."

Summerfallowing is well advanced in the south and the Peace River. Progress is slower elsewhere. In the Edmonton area, for example, cultivation of fallowed land has not begun while in other areas up to 80 per cent has been cultivated once.

Dr. P. R. GALAN
Dental Surgeon

Plowing And Tilling Champions

EDMONTON — M. Watson of South Edmonton and John LaPerle of Winterburn were the plowing and tilling champions, respectively of the Edmonton and District Agricultural Society's 6th annual plowing and tilling competitions.

Morning Service Unites Couple

LAC LA BICHE — St. Patrick's Roman Catholic church was the setting of a double-ring ceremony in which Miss Florence Frances St. Jean exchanged vows of marriage with Gerald W. Ward.

Rev. Father Donahue performed the early-morning service for the daughter of Mr. and Mrs. William St. Jean of Lac la Biche and the son of Mr. and Mrs. Kruse of Edmonton.

Given in marriage by her father, the bride wore a white lace and net over satin waltz-length model gown, with a finger-tip veil gathered softly to a small white cap. Her only jewelry was a single strand of pearls with matching earrings and she carried red roses and lily-of-the-valley cascading from a white prayer book.

Miss Shirley A. Cote attended the bride. Best man was Mr. Murray Dea, and ushering were Mr. Jack Ward, the groom's brother, and Mr. Urbain Plamondon.

Music for the ceremony was played by Mrs. I. Olson, and Mr. Ted Anderson was soloist.

A reception was held later at the Club Mocombo, where a three-tiered wedding cake centred the bride's table. Bouquets of deep, pink carnations completed the table decorations.

Rev. Father Donahue proposed the toast to the bride.

For travelling the bride wore a light blue suit with white accessories and a corsage of red Sweetheart roses. After a honeymoon in Banff, Mr. and Mrs. Ward will make their home in Edmonton.

Rev. Greenough Gives Farewell Sermon

LAC LA BICHE — Rev. D. A. Greenough will give his farewell sermon in Lac la Biche at the morning service, 11:00 a.m., July 18, in the Lac la Biche United Church. Mr. Greenough has recently received and accepted a call to be assistant minister at Knox United Church in Calgary, and has officially tendered his resignation to the local church board.

He first came to this church in May of 1947 to become the student-minister in this charge. Upon his ordination in 1951 he became the first ordained minister to serve the local church. The name of his successor has not yet been announced. Rev. D. A. Greenough is to assume his new duties on August 1 of this year.

Atmore Wedding Holds Interest

ATMORE — A wedding of great interest to Atmore residents took place at Lac la Biche Mission June 28, when Roland Porodo of Atmore took Florence Turgeon as his bride. Reception for over 70 guests was held at the groom's home, the Porodo farm residence. The wedding dance at Lac la Biche attracted many friends to wish the happy couple good luck and abundant happiness in the days to come.

The newlyweds departed on a honeymoon to southern points of the province. They plan to make their new home in the Atmore district.

Lucky Boy Wins Bicycle

LAC LA BICHE—Urban Thomas, son of Mr. and Mrs. Nick Thomas, was one of the lucky children to win a bicycle in the Robin Hood Quiz Kids program on Saturday, July 10.

FIELD DAYS HELD INDOORS AT COLINTON AND GRASSLAND

Due to too much moisture in the fields it was impossible to hold these affairs outdoors, and they were held in the halls at Colinton and Grassland. Charlie Cheshire, Agricultural Engineer, Service Department (Dept. of Agriculture), conducted the demonstration through the use of slides. His talk was easily followed and understood by the majority of those attending, and we hope they went home feeling they had gained by taking time off to attend the affair. It was fine weather and this no doubt was responsible for the small attendance at both affairs, as the farmers were working overtime in their fields. Normally, crops in most areas would have all been in, but this is not the case this year. At Colinton, Mr. Cheshire said that of 15 of these affairs at which he was in attendance, only five could be conducted out of doors.

Slides were shown and explained by Mr. Cheshire, and the first one was of an old Mogul tractor with a plow with eight bottoms. This machine was shown last year at or near Edmonton, and after it had done its stunt, a farmer with a big diesel thought he'd like to try it. He did, and managed to move it about eight feet before his modern diesel died. We have not come as far in the field of machinery development as many think, but the modern machines are dressed up more, and the engineers are working all the time to improve them, and make it easier on the operators. Machinery on farms today are worth more than all the livestock put together. But where livestock do reproduce themselves, our machinery is a continuous expense in repairs and maintenance.

Plows: How to find the centre of draft was explained; the proper hitch; rear wheel adjustment; colter adjustment. A 4-bottom plow requires a pull of about 1600 pounds, there should be about ¼-inch between plow landside and furrow wall, and the same between the bottom of the landside and the furrow floor. Colter should be set about even with the front of plow share and cut about one-third of depth being cut.

Tiller and Diskers: Tillers came into the farming picture about 1935, and require about one-half the draft. They are designed to cut about four to five inches in

(Continued on Page 2)

Smoker Held For Constable Kenny

LAC LA BICHE — Members of the Canadian Legion and guests gathered at the Legion Cottage on Friday evening for a farewell smoker in honor of Constable Kennedy.

During the past two and a half years Constable Kennedy has been constable in charge of the RCMP detachment here.

Constable Kennedy is being transferred to Fort Chipewyan.

President Rev. McGrane on behalf of the Legion presented Constable Kennedy with a shaving kit.

Lemay-Smith Exchange Vows

PLAMONDON—A quiet wedding was held at 3 p.m. at the home of Mr. and Mrs. Philip Lemay of Plamondon when their daughter, Isabelle, became the bride of Victor Smith, son of Mr. and Mrs. Guy Smith of Amesbury. The Rev. A. Ricard officiated.

The bride was gowned in an afternoon frock of yellow nylon tulle, with white accessories. The bride's mother wore an afternoon frock of wine taffeta.

A supper was served to the immediate relatives. Rev. A. Picard was an honored guest.

An evening of songs and entertainment climaxed an enjoyable day.

The young couple are honeymooning in British Columbia.

Jennie Stratton Weds Paul Boulanger

PLAMONDON — A beautiful marriage was solemnized by Rev. Father Ricard in Plamondon's St. Isidore Roman Catholic Church on July 5, when Jennie, daughter of Mr. and Mrs. Alex Stratton, was joined in marriage to Paul, son of Mr. and Mrs. Esdras Belanger.

The bride, wearing a traditional gown of chantilly lace and satin, entered the church on the arm of her father. She wore a floor-length veil with a seed pearl crown, and carried a bouquet of pink ice-box roses and lily-of-the-valley.

The maid-of-honor, Miss Doris Stratton, sister of the bride, was dressed in mauve over satin. She wore a picture hat and carried a nosegay of rosebuds and forget-me-nots.

The bridesmaids, Miss Fernande Belanger and Marcelle Belanger, sisters of the groom, and Miss Clara Stratton, sister of the bride, were dressed in pink, blue and nile respectively. They all wore picture hats and carried matching bouquets.

Gloria Stratton, the bride's sister, was flower girl. She was dressed in yellow and carried a yellow nosegay.

The groom's attendants were Philip Richard, Ovide Plamondon, Harold Hrynyk and Bernard Dakin.

A reception was held at the home of the bride's parents.

The toast to the bride was proposed by Dale Mellott of Grassland.

The young couple are making their home in Plamondon.

During 1952 Canada supplied more than four-fifths of the world's exports of newsprint.

FIELD DAYS HELD INDOORS

(Continued from Page 1)

depth. Diskers came about nine years ago and require about half the power again as the tiller. Disks are set on individual gangs of four and five disks and disks are smaller than on the tiller. They leave all the trash on top of the field to hold the soil from wind and water erosion.

Noble Blade: The Noble Blade and others made to do similar work were also shown. This blade is used as a weeder and should be put to work as soon after a rain as possible. Practibility in our district not fully proven, but it is widely used in the southern parts of the province. It prevents soil washing. Then came the Rotary or Walking Harrow. It is a wonderful machine for spreading straw from behind the combine.

The offset disk was not recommended except for breaking up new land or clover sods. The Subsoil Buster, or Graham Plow next came under discussion. This originally was intended for very deep subsoil work and originated in the "States" where they have the "hardest" subsoil, but today in our country it is developing into a really good cultivator. To really break the subsoil one needs to go two or three feet and more and that requires more power than most farmers have.

The new idea of tool bars, to which you can hitch various pieces of machinery, letting the tractor carry them instead of wheels on the machine will save the farmers money, and this is always of interest to them.

A rock picker was also shown, its working and labor saving features explained. Being a former Perryvale boy, Mr. Cheshire though the rocks should be pretty well all picked, as certain coulees in that district had been pretty well filled with rocks years ago and he had helped put them there. However, if he should see some other coulees, fence lines and rock piles in the district, we feel he will decide that there is still plenty of rocks for these pickers left.

Other slides showed: a Noble Seeder, much used in the southern part of our province; a Victory Seeder (hoe type with packer), and other labor saving machines. "Machines," he said, "are only tools for our use and the work they do is about 90% operator and 10% machine." Farmers need to be "specialists" in more than one line, and the correct machine for the job intended, is only half the battle. Proper use of, and correct hitching of that machine are necessary to do a good job.

Questions were asked and answered and Mr. Cheshire was given a vote of thanks.

The Agricultural Society hopes those attending these affairs went home better equipped to adjust their farm machinery.

Frains

Visitors to the city during the week-end were Harry Budney and Edwin, Walter Nahorney and Steve Shyian.

Week-end visitors from the city were: Misses Victoria Kolach, Mabel Hussynec and Edna Halowenko; Mr. and Mrs. Albert Plachner, Steve, Andrew and Fred Radylo, Slawko and Raymond Shyian.

Joe Hadysky is an owner of a new truck.

Mr. and Mrs. Tony Sawchuk attended the wedding of Mr. and Mrs. Prodeo of Atmore.

Miss Joanne Nahorney is attending the Youth Camp meeting at Lacombe

Miss Minnie Shwetz is in the city on holidays.

Local Clergyman Marries In Edmonton

In an attractive evening ceremony in Metropolitan United Church, Rev. Reid Vipond solemnized the marriage of Miss Marjorie May Barton and Rev. Douglas A. Greenough. The double ring ceremony united the daughter of Mr. and Mrs. W. C. Barton of Edmonton and the son of Mrs. A. M. Greenough of Victoria, B.C. Rev. Reid Vipond was assisted in the ceremony by Dr. D. C. Ramsay.

Given in marriage by her father, the bride chose a gown of embroidered white nylon. The fitted bodice was fashioned with a scalloped trimmed yoke and the sleeves extended to lily points at the wrist. The full skirt was designed in three tiers and a Juliet cap held in place her finger-tip veil. A triple strand of pearls, the gift of the groom was her only jewelry and she carried a Bible garlanded with pink roses and lily-of-the valley.

The bridesmaids were Miss Patricia Dahl, Miss Audrey Cope and Mrs. James Henning.

The best man was Mr. S. J. Clarke of Lac la Biche, and ushering were Mr J. D. Cuyler and Rev. T. E. Thomas

The soloist was Mrs. J. Hunt who sang "O Sacred Love" duringing the signing of the register. Mrs. J. V. Dodds played the wedding music.

A reception was held in the church hall upon the conclusion of the church service. The bridal table was centred with a three-tiered wedding cake set in mauve tulle. Tall white tapers and bouquets of white rosebuds completed the table appointments.

The toast to the bride was given by Rev. Reid Vipond.

For her honeymoon trip the bride donned a beige linen suit accented by fawn and pink accessories. A corsage of pink roses was pinned at her shoulder. Upon their return from a brief sojourn in Lac la Biche Rev. and Mrs. D. A. Greengough will take up residence in Calgary.

Customs figures show that from New Brunswick, during the 1953 hunting season, Americans took home 3,500 deer.

David C. Gowan Wins Award

David C. Cowan of Stony Plain has been named winner of the Western Daily Newspaper Advertising Managers Assoeiation scholarship. The scholarship, valued at $100, will be used to continue his studies at the University of Alberta.

M.D. Athabasca

Mill Rate In Lac la Biche School Division Reduced By Three Mills

MEANOOK—It doesn't happen very often these days—to witness a reduction in school district requisition. But at the May meeting of the Council of the Municipal District of Athabasca, Reeve Aloisio announced that the Lac la Biche School Division Requisition was being reduced.

It will be cut from $19,203.84 to $17,070.08. This represents a reduction of 3 mills (from 37 to 34) for the current tax year.

At the same meeting the Council of the Village of Boyle was called to secure a settlement of assets and liabilities. In the settlement decided upon the Village will receive a total of $6,266.01 in cash; all arrears of taxes for Boyle as at December 31st, 1953; and the Village will receive $200.00 already paid out to Mr. Hutzal for moving the school building into Boyle for use as a Nurses' Home. (Balance of $150.00 of Mr. Hutzal's account will be paid direct to him by the Municipal District).

D. Plummer, Sanitary Inspector, also called on the council and at his suggestion a clean-up period was declared for the latter part of May. The nuisance grounds at Colinton would be cleaned up; a new site is to be secured for the Perryvale nuisance grounds and a location is to be sought by Councillor Derko at Grassland.

A. Forsythe of Colinton has been granted permission to add a room to his house.

B. C. Hart was appointed to represent the Municipal District on the Athabasca branch of the Canadian Institute for the Blind.

Mike Manasterski is authorized to get his brother and wife and their son from the Argentine into Canada as D.P.'s.

The secretary will inform the Minister of Public Works that ratepayers are kicking about the type of roads built last year, that they cost too much money, and the balance of our roads are going to pieces, as there are no funds to keep them up. Council would like to build a fair standard of road, better than what was formerly built, but not to such a high standard or as costly as last year, and also that council be allowed to spread out road grant over a larger area, as the population is very scattered.

It was decided to rent the following lands for the year 1954: The N.W. 23-66-20-4 to O. Bowen, and the S.E. 23-66-20-4 to R. Bowen, the M.D. to get one-third on all the crop delivered in an elevator free of charge.

P. G. Davies is to insure the M.D. road machinery at a value of 10% less than last year.

Clr. Breckenridge was authorized to look after the renting of the rooms over the M.D. garage in Colinton.

Parish Priest Rescued By Boys

EGG LAKE — Father Ludo Von Leewen, the parish priest from Venice, whose sailboat overturned on the lake near the A. L. L'Hereux farm was rescued by Paul and Joe L'Hereux, who were picking rocks nearby. Rev. Von Leewen, though unable to swim, was kept afloat by a life-belt and air mattress for six hours, and did not suffer any ill effects. He returned next day to the L'Hereux home and presented the boys with a gift for saving his life.

Prizes Won At Plowing Match

EAST EDMONTON — Mr. M. Watson of RR 2, East Edmonton district, showed some of the younger modern farmers a thing or two about plowing when he walked off with a good share of the prizes at the Edmonton and District Agricultural Society plowing match. He won 1st prize of $30 in three-bottom plow class; the Eaton Challenge Trophy for plows, symbolic of the Alberta Plowing Championships; the Clyde Gillies Memorial Trophy for plowmen, for highest score made by a plowman who has not previously won a first in the competition sponsored by this society. He also won a silver spoon for plowing the best crown, and also plowed the best top and cover.

These prizes are being presented to Mr. Watson at the Plowing Match Banquet held this week in Horse Hills Hall.

Mr. Watson farms in the East Edmonton district on Highway 14

Sports Day Held July 8

PERRYVALE—At a successful sports day on July 8, Colinton Juvenile ball team defeated the local juveniles by a score of 5-4. Two other games, married men vs. single, and married women vs. single were also played.

A program of races for the children and young people was carried out. Colinton orchestra played for the dance in the evening.

NEW HOME INCINERATOR SOLVES GARBAGE PROBLEMS

Today—due to the rapid growth and development of our communities, and the ever increasing advancement in higher living standards for everyone in Western Canada — there is a dire and immediate need for a better and a more efficient approach to our garbage disposal with its many complexities and petty annoyances.

In the past and up until now, we have had to resort to the very unsanitory and unsatisfactory method of placing our garbage in our back-alleys with the hope that it would be picked up on schedule. Due to many unforeseen circumstances and often, Acts of God, for which no one is responsible, this did not always happen. Dealing with the garbage was an irksome chore throughout the whole year — when it had to be carried out often in biting cold, scattering winds, drenching rain, by walking through mud or over ice-covered patches on which it is very easy to slip and hurt one's self, and last but not least by trying to plow through our deep snow drifts to our garbage receptacle.

On warm days, garbage can turn into decaying matter; attracting myriads of flies and all types of predatory and often vicious and vermin-infested animals to your property — damaging young plants, ruining flower beds and making it generally unsafe for young and old alike.

As we all know, the most productive sources of our common house fly are the home garbage cans and garbage dumps, where the flies lay their eggs in decaying organic matter — 191,000,000,000,000,000,000 descendants can be hatched in one season from one fly.

We also know that the fly is the most dangerous carrier of disease germs and virus infections. In fact a single fly can carry as many as 500,000,000 bacteria including the germs of cholera, typhoid, tuberculosis, etc.

After many centuries of trying to combat the fly, scientists have finally found the way to control the fly and that is to do away with its breeding grounds, i.e., the garbage cans and the garbage dumps.

On this information, a local manufacturing company has tackled this garbage problem, and they have produced a neat, efficient, odorless, smokeless, low-budget gas home incinerator that does away with all household trash before it becomes garbage. It handles large soup bones, peelings of all descriptions, stringy vegetables, vacuum cleaner sweepings, paper and boxes, surgical dressings, bandages, old rags and personal effects.

After incineration, all that is left is an ash residue which makes a wonderful garden fertilizer, plus no soot to mar up the clothes lines, plus no more irksome chore to do in all kinds of inclement weather, plus the cleaning up of our yard and back-alley, plus the elimination of the breeding grounds for the fly, plus the fact that they have done something towards the betterment of our community and of our health. This unit is called the "Sanitor".

Colinton

Mrs. Art Lewis has gone to Didsbury to visit her niece there.

Adrienne Talpash, Grace Dickson and Lois Knutson are working for the summer months in Edmonton.

Mrs. Dickson, Ina Dickson, Colette Loiselle and Doris Talpash have been holidaying at Baptiste Lake.

Miss Dianne Crampton of Strome was the guest of Mr. and Mrs. Val Brechenridge last week-end.

Mrs. Blair's brother and sister-in-law, Mr. and Mrs. Bill Malidore from Aberdeen, Wash., have been visiting here.

Miss Joanne Huberdeau is employed in Athabasca.

Miss B. Pare, Miss Annie Drozdiak, Mrs. Bart Cyte and Mrs. E. Bretzlaff are picking fruit in British Columbia.

A social evening was held on June 23 by members of the Colinton United Church in honor of Rev. and Mrs. G. East who were leaving for Terrace, B.C. Mrs. East was presented with a cup and saucer and Rev. East was presented with a purse of money.

Mrs. B. Loiselle of St. Albert has been visiting in the district.

Miss Margaret Bellerose of Whitehorse has also been a visitor here.

The regular meeting of the United Ladies' Aid will be at the home of Mrs. B. Sauve on September 9.

Colinton Board of Trade will meet on Tuesday, July 13. The second Tuesday of the month is to be the regular meeting date of the Board unless otherwise notified.

Charles Fowlie is in University Hospital where he is recovering from an operation.

Newbrook

Mr. and Mrs. Nick Starchuk are the proud parents of a baby boy.

Mrs. Wm. Locker of Hudson Bay, Sask., is visiting her sister, Mrs. Harold Pollard.

Errol Anderson is visiting Mrs. Anderson's grandfather, Mr. Fred Pollard.

Mrs. Gustave Selent is visiting relatives in the United States.

On Monday the funeral service for the late Mrs. Lola Trenholm was held in the Newbrook Community Hall. The Rev. Wiggins from Edmonton officiated, and interment took place in the Newbrook cemetery.

The annual picnic was held July 7. A good crowd took part in the sports and watched the ball games. Owing to the storm, Boyle and Sprucefield only played five innings, therefore the prize money was divided. A dance was held in the Community Hall in the evening.

To Visit Edmonton For CCF Party

EDMONTON (BUP) — Clement Atlee, ex-Prime Minister of Britain and the leader of the British Labor Party, is expected to visit Edmonton next spring on a three-week tour of Canada.

The announcement was made today by officials of the CCF party, who will be Atlee's hosts during the visit.

No specific dates have been announced yet, but Atlee is expected to arrive in Canada shortly after Easter. He will speak at CCF sponsored meetings at various cities in Canada.

Customs figures show that from New Brunswick, during the 1953 hunting season, Americans took home 3,500 deer.

Couple Honeymoon At Niagara Falls

COLINTON — St. Gabriel's Roman Catholic Church was the setting for the recent wedding of Miss Margaret Bowzailo, daughter of Mr. and Mrs. N. Bowzailo of South Athabasca, and Mr. Roy Manasterski, son of Mr. and Mrs. M. Manasterski of Narrow Lake, on the 26th. Rev. Father Petrshyn performed the ceremony.

Given in marriage by her father, the bride wore a white nylon lace gown and carried a bouquet of red roses. Her young brother, Jimmy carried her train.

Miss Betty Manasterski, sister of the groom, Miss Lorraine Bowzailo, sister of the bride, and Miss Rosie Philipzyk were bridesmaids. Miss Manasterski wore a gown of blue nylon net; Miss Bowzailo a green nylon net and Miss Philipzyk pink nylon net. They all wore matching picture hats and carried carnations.

Attending the groom were Mr. George Philipzyk, Mr. Nick Shatalo and Mr. Tommy Bowzailo.

Following the ceremony a reception for 450 guests was held at the home of the bride's parents. This was followed by a dance in the evening.

The bride and groom left on a motor trip to Niagara Falls via the U.S. On their return they will reside on the groom's farm at Narrow Lake.

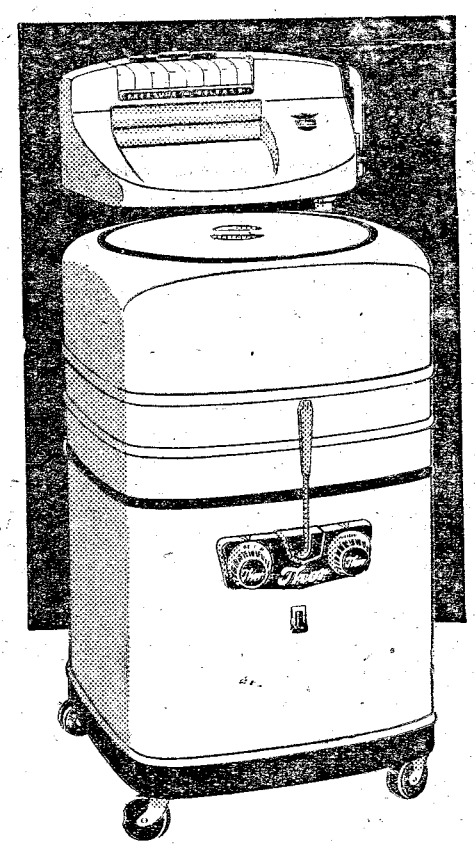
Quality Counts— AND *Thor* MEANS QUALITY



For nearly half a century the name Thor has stood for quality in household appliances. To Thor, quality means a product made with the best of materials . . . scientifically designed and engineered to give top performance . . . built by skilled craftsmen to give a lifetime of service and satisfaction.

Thor quality costs no more because it proves itself in savings and trouble-free service over the years. Dollar for dollar, Thor is the best investment you can make.

THOR SUPERFLEX SETS THE PACE

You'll be proud to own the new Thor Superflex, the only modern, square-styled wringer washer. Fits compactly in kitchen or utility room. And it's complete with Pilot Light, Automatic Timer and Controls, all conveniently and attractively mounted on front of washer.

DOLLAR FOR DOLLAR YOU GET MORE WITH THOR

For example—TAKE THIS THOR SUPERFLEX WASHER

This washer gives you more than any other washing machine. It has the new Superflex washing principle — Thor's 9-Vane Super Agitator and square-styled Superflex tub combine to give faster, cleaner washing.

The Thor Super Safety Wringer — designed and built exclusively by Thor—releases automatically if clothes wind around the roll. This wringer gently presses the maximum amount of water from even the most delicate materials without injury. The automatic pressure of this deluxe Thor wringer is so equalized that it will efficiently extract water from clothes of widely varying thickness without adjustment.

Ask us to show you how the THOR Super Safety Wringer will hold firmly a dollar bill and a broom handle at the same time.

MICHAEL HAMAR

LAC LA BICHE GENERAL MERCHANT Phone 2

MR. GEORGE HEWITT has been appointed Assistant Manager, Edmonton Branch of The Goodyear Tire & Rubber Company of Canada, Limited, according to a recent announcement by C. B. Cooper, General Sales Manager. Mr. Hewitt's diversified background embraces wide experience as a general line salesman of the Company's Winnipeg and Ed- Branches and, latterly, as commercial and farm tire special representative at Edmonton.

WA Branches Hold Meeting

COLINTON—The annual gathering of the WA branches in the Athabasca Deanery took place on Thursday, June 17, beginning with a celebration of the Holy Communion in All Saints' Church conducted by Archdeacon Humphreys and Rev. R. Crisfield. A short address was given on the words "Here Am I" (Isaiah 6:8). There were 48 delegates present 43 of whom were communicants.

The flowers on the altar were in remembrance of the late Miss Margaret Cameron. A moment of silence was observed in remembrance of her.

At the close of the service Mrs. Dave Gartotn, a faithful WA member and parish organist for many years was made a Diocesan Life member. The service of admission was conducted by the Rural Dean, the WA badge was pinned by Mrs. Humphreys and "Granny" Lewis delivered the Certificate to the new Life Member.

The second part of the dav's proceedings was the annual meeting at which Mrs. W. Minns and Mrs. S. Alexander presided as president and secretary respectively. The address of welcome was made by Mrs. Thorne of Athabasca, and Mrs. Alexander Jr. of Boyle replied.

Reports were received from branches at Waterways, McMurray, Boyle, Wandering River, Colinton, Athabasca, Parkhurst, Plum Lake and Hondo.

Short talks were presented by Mrs. Hmphreys on GA work and Rev. R. Crisfield on Camp Matawawin at Baptiste Lake.

Mrs. Humphreys then introduced the guest speaker. Mrs. S. F. Tackaberry of the Edmonton Diocesan WA, whose address on all phases of WA membership was well received. The speaker stressed strongly the need for Missionary Intelligence at branch meetings if only for ten minutes. She also recommended the use of various pamphlets by leaders. A vote of thanks to Mrs. Tackaberry was proposed by Mrs. R. L. Crisfield of Colinton.

The final part of the program was the social gathering and tea in the hall below the church and during which time a few words were said by R. Parsons of Boyle and Rev. D. Pinkerton of Hondo.

Mrs. S. Alexander brought the afternoon to a close with a vote of thanks to the ladies of the All Saints' Afternoon and Evening branches for their enjoyable hospitality.

Plamondon

Mr. and Mrs. Esdras Belanger, Mr. and Mrs. Alex Schaub and Mr. and Mrs. Tony Duperron of Breynat are on a holiday in U.S.A.

Mr. and Mrs. Bert Plamondon and Rena and Delores St. Jean have gone to Edmonton.

Charles Johnson has joined Mrs. Johnson in Trail, B.C., where they will visit Mr. and Mrs. Gerald Johnson.

Ruby Gauthier is visiting his parents, Mr. and Mrs. Alex Gauthier, and his young daughter, Miss Francis Gauthier.

Valmore Plamondon has purchased some property in the Okanagan Valley, B.C., and will soon move there with his family.

Maurice Dancause of Donnelly was visiting Mr. and Mrs. E. Dancause.

Mr. McVea of the DVA was in Plamondon on the 7th interviewing veterans. He hold office at J. E. Cote's, back of the post office.

Miss Dorothy Charbonneau has gone to visit Miss Colette Dupre of Wandering River.

Nelson Plamondon of Edmonton visited friends and relatives in the district.

Grassland

The surrounding districts of Grassland were saddened by the death of Mrs. Sutton, a long-time pioneer of the Grassland district. Sympathy goes to the Sutton family.

Mr. and Mrs. Nick Derko and family spent Sunday in Edmonton visiting friends and relatives.

Mr. and Mrs. Caverly, Sr., and their two grandsons, Grant and Cal, have left on a trip to B.C.

Congratulations go to Mr. and Mrs. M. Medwid on the birth of a baby girl.

Mrs. Walter Carse made a trip to Edmonton with her husband.

Mrs. Ira McKenzie accompanied Richard Garnier to Lac la Biche to visit her parents.

Rodney Page and David Dakin are holidaying at the home of Mr. and Mrs.. Ira McKenzie. Robert Dakin is spending his holidays in Redwater with his friend, Igor.

The Misses Leola Shirrimaker and Joan Rogers are attending summer school in Edmonton.

Alphonse Garnier is now employed at the Arts Sign Service in Edmonton.

Low Disease Rate

EDMONTON (BUP) — Communicable diseases increased by one case in Edmonton during the week ending June 26, but the total is still at a low level.

City health department officials said today that three cases of measles were reported, three of scarlet fever and two of whooping cough.

The total of measles and whooping cough cases was the same as the previous week, but scarlet fever increased by two cases.

No cases of rubella were reported whereas in the previous week one case was diagnosed.

One case of polio was reported from the district near Edmonton.

More Building Permits

EDMONTON (BUP)—Edmonton's building department issued permits today for a cold storage unit at the Royal Alexandra Hospital and a new service station in the Glenora area.

McColl-Frontenac Oil Company will build the service station at 10704 Groat Road. The $25,000 building will be of concrete construction.

The cold storage at the hospital, valued at $10,000, will be of steel and metal frame construction.

Amber Valley

Visitors to the community recently are, Mrs P. Taylor, Coramae, visiting Mr. and Mrs. O. Bowen and family; Mr Ronald Carothers of Vancouver, B.C.

Mrs. P. H. Brown and Mr. H. Carothers have gone to the United States.

Miss R. L. Bransford has left for her summer holidays.

C. R. Brown is home again from working on the bridge outfit

Mr. and Mrs. Herman Bowen and Alono Green of Edmonton are visitors here also.

Rochester

The Rochester Seniors played the Athabasca Seniors on Sunday, July 4, with Rochester being the victors.

Mr. and Mrs. L. Turner (nee Beryl Betts), from Saskatchewan, are spending their holidays at the home of Mr. and Mrs. Art Betts.

Miss Lillian Gale of Rochester left for Vermilion to attend school. She was the winner in the 4-H club.

Fred Warren has returned home after teaching the term at Narrow Lake.

The sports day held on July 2 was well attended despite the threatening weather.

The basement has been dug for the new school, which is to be completed for the fall term.

Still a lightweight, but now more powerful!

GRASSLAND Alta.

GRANDIN FARMER STARTS PUREBRED HEREFORD HERD

By HENRY THOMPSON

John Yakoweyshen, a three-quarter section farmer and rancher in the Grandin district, purchased a purebred bull and two cows from Otto Schmalzbauer at the Beaver River ranch, north of Mclcy, and the two calves born to these cows are possibly the first purebreds raised in the Grandin district.

Mr. Schmalzbauer has been showing cattle in the Edmonton and Calgary stock shows for several years, winning his share of recognition in the ring, has a purebred herd of Herefords built up by careful selection of well-established blood lines from other herds in the province.

Mr. Yakoweyshen's animals are splendid types of the breed and his judgment as a stockman is well placed in these three foundation animals. His herd of 75 head of mixed grade Hereford and Shorthorn breeding are good beef type.

Pasture being a problem for so large a herd, he intends by careful selection to reduce the number but at the same time keep up his capital investment by a more valuable individual beast.

John was not greatly concerned about the oil well that was dug and capped on his land. The purpose of my interview side tracked, for to him, the more interesting subject of farm operations. Feeding seven brood sows and approximately twenty-five fatteners occupied his time while we talked, before entering the house.

A well graded driveway into the buding site, the neat yard and good buildings, heavy power machinery sheds and other buildings is a well planned layout, will, I predict, place him well in line as a candidate for the Master Farmer contest sponsored by the Provincial Government. Lac la Biche can claim agriculture as another of its versatile occupations, besides fur farming, fishing, timber and other industries.

Caslan

Mrs. Nick Krywko is home after a lengthy stay in a Calgary hospital.

Miss Loretta Bury of Edmonton is spending a week's holiday with grandparents, Mr. and Mrs. E. W. Meyer.

Mr. and Mrs. Nick Wolansky have left for B.C. where they will visit their son, John and his family.

Metro Cherniwchan spent the week-end visiting relatives in the district.

Bob Gordon motored home to visit his parents, Mr. and Mrs. A. Gordon.

Mike Kniazky motored to Edmonton on business and returned with a school van.

M. Kowalchuk is attending summer school in Edmonton.

Mr. and Mrs. R. Hebert and daughters, Lynne and Cherie of Tillamook, Ore., motored to Caslan to visit Mr. and Mrs. S. Johnston. Mrs. Hebert is Mrs. Johnston's sister.

Ernest Arthur of Tillamook, Ore., and Eliza Arthur of Wainwright, also visited their sister, Mrs. Johnston.

Gourin

People of Gourin and Atmore wish to congratulate Mr. and Mrs. Roland Parado, who were wed on June 18 in Lac la Biche Mission. Mrs. Parado is the former Miss Florence Turgeon. The young couple motored to British Columbia.

Roger Croutze has gone to British Columbia.

On Sunday, July 4, Reverend Father St. Arnaud and his Sea Cadets left for a vacation in Vancouver. The Sea Cadets are: Lucien Dulcon, Henry and Paul Grenier, and Eugene and Max Stanfield.

The parish picnic, held at Plamondon on Sunday, was attended by many residents from here.

Mrs. Trenholm Passes Away

NEWBROOK — The district has been saddened by the passing of an old-timer, Mrs. Lola Trenholm, who died in Smoky Lake Hospital after a short illness. She leaves to mourn her loss, her husband, five sons, Arthur, Wallace, Lee and Ted, all at Wildwood, Willis at Newbrook; one daughter, Lillian, Mrs. Jim Croswell, also of Newbrook; two sisters and three brothers in the U.S.A.

Mrs. Trenholm and her family came to the Waskatenau district from the Dakotas about 40 years ago and resided in Sprucefield, after which she moved to the Newbrook district.

Ellscott

Mr. and Mrs. Carl Neil were in Edmonton to attend the wedding of Mr. Neil's sister, Marjorie, to the Rev. R. G. Greenough, who is assisting minister at Kuox Church in Calgary.

Mr. B. Weigh was in Edmonton to see his daughter, Peggy, who left to make her home in Tulsa, Okla., U.S.A.

Mr. and Mrs. D. Weymouth and family are visiting relatives and friends around Ellscott and Boyle.

Perryvale

Mr. and Mrs. Raymond Aloisio and family, of Edmonton, visited Mr. and Mrs. A. Aloisio, Sr. The children remained for a longer holiday.

Melvin and Albert Rein attended the Anglican Church boys' camp at Baptiste Lake.

Miss Beatrice Holmes and Arthur Downey of Edmonton were guests of Mr. and Mrs. G. Holmes.

Mr. and Mrs. D. Parker and baby visited with Mr. and Mrs. W. Craswell.

Mr. and Mrs. T. Patzer and family of Hanna visited Mr. and Mrs. J. A. Clarke.

Mr. and Mrs. Elmer Lina and family of Edmonton visited Mrs. Lind's mother, Mrs. E. McCluskey.

Mrs. Hanka of Beechy, Sask., visited her mother, Mrs. W. Thomas, recently.

Miss L. Wedderman of Medicine Hat, who has been visiting Mr. and Mrs. D. Reneau, left last week, accompanied by Miss Joyce Reneau.

David Kubbermus has gone to work in Fairview for the summer.

Mr. and Mrs. T. Murphy and family of Edmonton visited Mrs. Murphy's parents, Mr. and Mrs. C. Kubbermus, recently.

Mrs. Faye Podgurney of Fort Smith, N.W.T., is visiting her parents, Mr. and Mrs. P. Ward.

The baseball club will sponsor a dance July 30, with Johnny and his boys supplying the music.

Athabaca

Mr. and Mrs. R. V. Noel have gone to eastern Canada and the United States for a two month's motor trip.

Dr. E. K. Wright has gone to the coast for a two-week tour as medical officer at the cadet camp at Abbotsford.

Mr. and Mrs. N. J. Andruski and daughter, Katherine, have arrived safely at Corvallis, Ore, where Mr. Andruski will take a summer school course.

Mr. and Mrs. Cecil Hyde and family have left for an extensive summer holiday.

Miss Elfriede Schinkinger has returned from Calgary where she attended the Stampede.

U.S. shippers are urged to patronize American-flag ships.

Willow Ridge

The Ladies' Club met at the home of Mrs. C. Yarish July 7. The next meeting will be held in October.

Miss S. Johnson of Edmonton held a church service in the school July 4. She was assisted with the singing and children's story by Miss Ruth Maser, also of Edmonton. The next service will be held August 15.

Mrs. A. Howard Alva and Alvin are spending exhibition week in Edmonton.

Frank Kennett of Busby made a business trip to the home of W. Speers, also called to visit Mr. and Mrs. R. S. Benham. On his return to Busby, Dale Benhorn accompanied him to attend Bible Camp at Lake Nakamun.

Meldie and Teddy Gerun, who have lived with their uncle and aunt, Mr. and Mrs. Gerun for the past four years, have gone to live with their father and step-mother, Mr. and Mrs. M. Gerun of Holach.

J. Anderson, who has been a patient in the Athabasca hospital, is being sent to Edmonton to undergo an operation.

Paxson

Frank Lockhart has gone to Vancouver with the Air Cadets.

Dave McCoy and family, an old-time resident of this district, has been visiting here at Art Hansen's.

Mrs. Hague, Sr., has been ill in the hospital.

Mr. Kitchener is a visitor in Edmonton.

FIVE-DAY OFFICIAL SEARCH ENDS WITH NO TRACE OF MISSING GIRL

EDMONTON—The search for 2½-year-old Diane Mason missing from her Edmonton home, was called off officially early Monday.

Although the official hunt has been abandoned, search officials said the search will continue as long as people want to look.

The hunt went into its fifth night Sunday night with little hope left of finding the blonde child alive.

City Area Covered

Since the search started almost all the area fo the city and its suburbs has been covered by volunteers, at times numbering 10,000 persons, by helicopters and trained search dogs.

One of the last major operations was a sweep Sunday by privately-owned motor boats down the North Saskatchewan River from Edmonton's downtown area to the Fort Saskatchewan bridge, 15 miles away.

Two river men were leading the motor-boat group which did some dragging in attempts to find the body of the little girl, adopted daughter of Ellwood M. Mason, 43-year-old x-ray salesman and engineer, and his 34-year-old wife. They are parents of two other children.

Check Garbage Dumps

Only in the brief hours of darkness early each morning has the search waned as hordes of persons swarmed along river banks, over golf courses and creek beds and poked into garbage dumps and every conceivable place in which a small girl's body could be concealed.

Saturday searchers concentrated on the University of Alberta stock farm in Edmonton's southwest corner, 12 miles from the Mason home on the eastern outskirts. The house is 400 yards from the banks of the North Saskatchewan.

A dog found a child's footprints and some pieces of clothing in a garbage dump in Beverly, a community on the city's eastern boundary, but thorough scouring uncovered nothing else.

Officials in charge of the search said they were concentrating Sunday on those sections of the city not previously covered in door-to-door checks. Approximately 7,000 persons took part Sunday.

Edmonton Swimmers Going To B.C.

EDMONTON (BUP)—Two Edmonton swimmers are en route to the Canadian championships in Vancouver today with three new provincial records under their belts.

Seventeen-year-old Don Norwood cracked the 100 and 22-yard freestyle records and Dick Craddock set a new record in the 100-yard butterfly breast stroke at the West End swimming pool last nigth.

Norwood swam the hundred in 55.2 seconds and the 220 in two minutes, 18-and6-tenth seconds. Craddock whipped through the 100-yard butterfly event in one minute, nine-and-one-fifth seconds.

The meet was held to raise travelling money for five local swimmers bound for the Canadian championships and, they hope, the British Empire Games.

Boys Detained With Stolen Goods

EDMONTON (BUP)— Two Edmonton boys, suspected of breaking into a concession booth in Renfrew Baseball Park, were taken to the South Side Detention Home last week.

Police Insp. J. McMurray said he was driving up McDougall Hill and saw the pair emerge from the bushes. He stopped his car and apprehended them.

McMurray said they had several cartons of cigarettes, two cartons of chewing gum and a bicycle.

The inspector said he questioned them and the older boy said that they had bought the goods with money given him by his father. However, a further investigation revealed the goods had been stolen from the Renfrew Park concession booth.

The boys, aged 11 and 13, told the inspector they hid in the ball park when everyone had gone, then forced a shutter on the booth with an iron pipe.

Police suspect the bicycle found in the boys' possession also had been stolen, but the owner is at present unknown.

Commission Regrets Lack Of Interest

EDMONTON (BUP)—The chairman of the Federal Restrictive Trade Practices Commission expressed concern in Edmonton over the small number of representatives made from some parts of Canada.

C. Rhodes Smith arrived in the Alberta capital on a nation-wide fact-finding investigation into loss-leader selling and other restrictive trade practices.

Only one Edmonton businessman attended this morning's hearings, prompting the commission chairman to say that Albertans seem undisturbed by restrictive trade practices.

A number of Alberta firms, however, had supported the representation made by the Dominion Board of the Retail Merchants' Association in Saskatoon.

The commission moved to Victoria on Friday.

Contracts For School Equipment

EDMONTON (BUP)—Two contracts for stage equipment at Edmonton's Eastglen Composite High School were awarded at a School Board meeting last week.

One contract went to Fred S. Tappenden, with a bid of $10,525 and the other went to Woodward's Stores for $2,192.

Contracts for the remainder of the stage equipment to be awarded later will bring the total cost up to about $18,000.

The trustees also awarded a contract for $3,285 for 834 kindergarten chairs to Blowey Henry and Company.

Freedom

Miss Sandra Boonstra is employed at Mr. and Mrs. Dick Meyers. Mrs. Meyers left on Monday to attend summer school.

Congratulations to Mr. and Mrs. Joe Smith Jr. on the birth of a baby daughter 'Deborah Helen," on July 2.

Mrs. Ain Carlson is driving a gravel truck for Fred Madson at Shoal Creek.

Mr. and Mrs. Wilmer Carlson and son David are home visiting their parents, relatives and friends. For the past year Wilmer has been working in Saskatchewan.

Max Hauch of the RCEME Wainwright, Alta., was home for the week-end.

Mr. and Mrs. Wilmer Carlson. Agnes and Henry Carlson motored to Slave Lake to visit their sister Elvie.

Mr. and Mrs. Ed Donnelly attended the annual picnic at Clyde.

Atmore

A baptismal service was held Sunday, June 27, when the infant daughter of Mr. and Mrs. F. Zak was christened, Irene. Godparents for baby Irene were Mrs. Rochleau of Ardmore and Mr. M. Matoga of Spruce Valley.

Mr. and Mrs. V. F. Genoud departed for Calgary last Thursday.

Fr. St. Arnaud and the local naval cadets, Lucien Duigo, Gene and Max Stanchfield, Paul and Henry Greiner, left Sunday for the west coast. They will visit the naval base at Victoria, Comox, where cadet camp is being held, Vancouver and many points of interest along the way.

Rev. Fr. St. Arnaud and L. Ulliac attended the regular meeting of the Chinchilla Association held in Edmonton last Wednesday. They report the furs, being sold on the open market in New York have netted $125 to $175.

During July and August at Cobequid Bay, N.S., the height of the sea between ebb and food tide varies from 46 to 90 feet.

LAC LA BICHE NEWS BRIEFS

George Langevin was given the contract to lay 1600 ft. of 5-ft. sidewalk and 2000 ft. of 6-ft. sidewalk.

Tax notices were mailed July 5 with the usual thirty-day discount period which will expire August 4. The discount is 5% of current taxes where there are no arrears. There is no discount on frontage tax.

The volunteer fire brigade was called out on Monday, July 5, to put out a chimney fire at John Konowalchuk's home. Damage was slight.

Mr. and Mrs. Jack McCarthy of Edmonton spent a week holidaying at Mr. and Mrs. Ike Settle's.

Mrs. C. Calvert, Kieth and Gerald stopped over in town July 6 enroute to Edmonton.

Born on June 25 to Mr. and Mrs. Doug. Verville of Edmonton, a son, Paul Bernard.

Miss Maria Lovenuik, the mobile nurse for the Department of Public Health, is back again and has an office in the Lac la Biche hotel.

Miss Joan Tikkanen of Rich Lake is on the staff at the Hudson's Bay for the summer holidays.

Miss Iris Parker of Goose Lake is clerking in the Robinson store for the next two months.

Miss Sonia Duban is employed at the telephone office as a spare for the summer vacation.

Mrs. T. B. Lett is managing the Robinson store, assisted by Rev. Doug. Greenough and Iris Parker, while Mr. and Mrs. M. Patterson and Johnny are away for a holiday to Banff, Nelson, B.C., and Spokane, U.S.A.

While Mr. Paul Bouvier, postmaster, is on three weeks' vacation, Mrs. C. Byrkelo will be in charge and Warren Williams will be relieving.

Miss Shirley Terrien is back to work after a holiday with her folks.

Ronald Lloyd was chosen from the Lac la Biche Sea Cadets to spend seven weeks at Cornwllis, N.S., to continue studies on communications course. During a two hour stop-over in Montreal he met two Sea Cadets he had known from Comox, Vancouver Island.

Welcome to K. Boelt, who is replacing Mr. Tom Adamson in Hudson's Bay Store.

Mr. and Mrs. Harry Konowalchuk and family of Vancouver spent two weeks visiting relatives in Normandeau and Lac la Biche.

Mr. and Mrs. John Hackman and family are home from a holiday spent at Cold Lake and Derwent. Because of the illness of Mrs. Hackman's mother they were unable to make a trip to Niagara Falls to visit Mr. Hackman's folks.

Mr. and Mrs. B. B. Johnston of Peachland, B.C., visited for several days at the home of Mrs. Johnston's brother and sister-in-law, Mr. and Mrs. C. E. Chisholm.

Mr. and Mrs. P. T. Brinsmead had as their guests for two weeks their daughter and son-in-law, Mr. and Mrs. Douglas S. Smith and daughters, Lorraine, Karen and Sharon of Winnipeg.

Visiting at the home of Mr. and Mrs. C. E. Chisholm over the week-end were Mr. and Mrs. Leo Duhamel, Mr. and Mrs. Richard Chisholm and children, Garry and Marilyn, all of Edmonton. Mrs. R. Chisholm and children will remain for a while.

F-L. G. L. McCorcick Goes To Goose Bay

LAC LA BICHE — Flight-Lt. G. L. "George" McCormick, 34, of Bellis and Lac la Biche, has been transferred as station adjutant to Goose Bay, Labrador, it was announced today.

F/L McCormick can list several trades on his personal file since he enlisted in March, 1941, as well as a welter-weight Golden Gloves champion prior to joining the RCAF. Originally an aero-engine mechanic, he remustered to aircrew in 1943, taking navigation training at Chatham, N.B., and Summerside, P.E.I., before joining 161 Reconnaisance Squadron at Yarmouth, N.S.

At the end of the Second World Wr, F/L McCormick left the RCAF to attend the University of Alberta, completing one year of science before re-enlisting. He served with 418 Auxiliary Squadron support section from 1946 until 1948, when he was transferred to 408 Photographic Squadron, which had been reactivated that year.

As a navigator with 408 Squadron, F/L McCormick spent two years in the far north on photographic operations and also applied numerous other trades he had acquired throughout his varied career. In 1949 as well as flying daily photographic missions, F/L McCormick personally supervised the erection of barracks, installed mess hall facilities and engineered the laying of water and soil pipe at a far northern detachment.

In 1950, F/L McCormick was sent to Resolute Bay, over 700 miles inside the Arctic Circle, to equip quarters and messing facilities for the summer's photographic operations. When the squadron arrived, he took his regular turn as navigator aboard the Lancaster aircraft.

In 1950, he took the staff navigator instructor's course at Summerside, P.E.I., returning to 408 Squadron as the navigation leader. He remained at 408 Squadron, again taking part in photographic operations until 1953 when he transferred to Air Transport Command headquarters at Lachine, Quebec.

F/L McCormick, who is married to the former Jean Grey Forsyth of St. Lambert, Que., will move his family of five children to Goose Bay this week to take the position of station adjutant to Group Captain F. W. Bail, commanding officer of this northern base.

Since 1941 the value of gold produced in Canada has dropped from $205,000,000 to $154,000,000.
